Improved communication skills through presentations, teamwork and self-learning.

SUMMARY

I am a second-year student in Information Technology with a strong interest in web development and programming.
I have hands-on practice with HTML, CSS, and JavaScript, and I am currently learning C, Python, Java, and Computer Graphics.
I actively build small projects and practice coding, which are showcased on my GitHub profile.
I am seeking an internship opportunity that allows me to apply my technical skills, learn from real-world projects, and grow as an IT professional.

INTEREST

Coding and learning new technologies
Web development practice
Building small projects
Hobbies - Enjoys engaging in various activities that promote personal growth and creativity.

STRENGTH

- Quick learner and self-motivated
- Problem-solving and logical thinking
- Good communication and teamwork
- Time management and adaptability.

Languages

- English - *Beginner (A1)*
- Hindi - *Intermediate (B1)*

Project

Academic & Practice Projects (GitHub).
Developed basic web pages using HTML, CSS, and JavaScript.
Created small programming projects in C and Python.
Practiced logic building and problem-solving through coding exercises.
